Alexandria, VA 22313-1450

Sir:

The Advisory Action dated December 28, 2006 has been received, and a Notice of Appeal is being filed.

Section 7 on the Advisory Action form reports that the Amendment After Final Rejection that was filed on December 4, 2006 will not be entered for purposes of appeal. Reconsideration of this decision is respectfully requested. The Amendment After Final Rejection raised no new issues; instead, it corrected a minor informality in one independent claim and canceled another independent claim. Since entry of the Amendment After Final Rejection will simplify the issues on appeal, it is respectfully requested that it be entered.

Respectfully submitted,

Allen Wood
